² A Statement of Financial Affairs and Schedule of Assets and Liabilities for a particular Debtor begins immediately after these Global Notes.

management and are unaudited. While the Debtors' management have made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may have occurred. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. Except as noted in the Schedules and Statements, all asset and liability data are reported as of the close of business on November 9, 2008. The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their businesses. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding Debtors' Statements of Financial Affairs with Schedules (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. **Description of the Cases.** On November 10, 2008 (the "Petition Date"), the Debtors filed voluntary petitions with the United States Bankruptcy Court for the Eastern District of Virginia (the "Bankruptcy Court") for reorganization under chapter 11 of title 11, United States Code (as amended, the "Bankruptcy Code") under case numbers 08-35653 (KRH) through 08-35670 (KRH), and orders for relief were entered by the Bankruptcy Court. The cases have been consolidated for the purpose of joint administration only under Case No. 08-35653 (KRH). The Debtors currently are operating their businesses as debtors in possession under the Bankruptcy Code.

2. **Basis of Presentation.** For financial reporting purposes, the Debtors prepare consolidated financial statements, which include financial information for Circuit City Stores, Inc. ("Circuit

City") and its subsidiaries. The Schedules and Statements are unaudited and reflect the Debtors' best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. These Schedules and Statements neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to fully reconcile to the financial statements.

3. Summary of Significant Reporting Policies.

The Schedules and Statements have been signed by a representative (the "Signatory") of each of the Debtors. In reviewing and signing the Schedules and Statements, the Signatory has necessarily relied upon the efforts, statements and representations of the accounting and non-accounting personnel located at Circuit City's headquarters. The Signatory has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

Each of the Debtors made its best effort to report asset, liability, disbursement and other information on the appropriate Debtors' Schedules and Statements. However, the following qualifications and limitations apply to each Debtor's Schedules and Statements:

(a) Receipts and Disbursements are made through a centralized and consolidated cash management system that includes approximately forty-five (45) accounts held in the name of specific Debtors. All disbursement information is reported on the Schedules and Statement of the Debtor that holds the relevant bank account. Most disbursement accounts are held in the name of Circuit City and thus, the vast majority of disbursements are reported on the Circuit City Schedules and Statements.

(b) The Debtors maintain information for certain liabilities, most notably trade, employee and tax claims, by specific debtor entity. In the situations where liabilities are segregated by debtor

entity, the Schedules and Statements are reflected on the appropriate Debtor's Schedules and Statements. However, certain liabilities, such as potential claims arising from store incidents, are not segregated by debtor entity. In those situations, the claimant's state was used to determine whether to schedule the liability on Circuit City, Circuit City West Coast, Inc. or Circuit City PR, LLC.

(c) All totals that are included in the Schedules and Statements represent totals of all the known amounts included on the Schedules. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

(d) The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements including but not limited to: goodwill, intangibles, pension assets, accrued liabilities including, but not limited to, accrued salaries and employee benefits, and tax accruals.

In addition, the Debtors adopted the following conventions in the preparation of the Schedules and Statements:

(e) **Book Value.** Each asset and liability of each Debtor is shown on the basis of the net book value of the asset or liability in the Debtor's accounting books and records, unless otherwise noted, rather than the current market values of such interests in property and/or liabilities.

(f) **Asset Impairment.** The Debtors have incurred significant asset impairments due to store closings that were commenced just prior to the petition date, store performance and certain software. The Debtors had not recorded the asset impairment as of November 9, 2008, the date used to report asset and liability balances. Thus, the Schedules and Statements do not reflect the realized asset impairment.

(g) **Intellectual Property Rights.** Inclusion of certain intellectual property shall not be

construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of such intellectual property rights.

(h) **Causes of Action.** The Debtors have attempted to identify all causes of action against third parties as assets in their Schedules and Statements, but due to the size and scope of the Debtors' operations, the Debtors may have omitted certain causes of action. The Debtors reserve all of their rights with respect to any causes of action that they may have (identified or not), and neither these Global Notes nor the Schedules and Statements shall be construed as or deemed a waiver of any such causes of action.

(i) **Executory Contracts.** The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G.

(j) **Property and equipment - owned.** Unless otherwise noted, owned property and equipment are stated at net book value. The leases are identified in the Debtors' Schedule G of Executory Contracts.

(k) **Property and equipment - leased.** In the ordinary course of their businesses, the Debtors lease equipment and computer hardware and software from certain third-party lessors for use in the daily operations of their businesses. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues.

(l) **90-Day Payments.** The Debtors have responded to Question 3b of the Statement of Financial Affairs in a summary format by creditor, excluding

information regarding the creditor's address and detailed payment information. Such information is available upon written request to the Debtors' counsel.

(m) **Payments to Creditors and Insiders.**

On the Statement of Financial Affairs 3C and 23, each Debtor has included all distributions made over the twelve months preceding the filing to any individual deemed an Insider (defined below) when the Debtor has made such payments. For purposes of the Schedules and Statements, the Debtors define Insiders as (i) directors and (ii) Section 16(b) officers. They have listed items such as payroll related payments, director fees, travel reimbursements, benefit matches, relocation reimbursements, life insurance premiums, stock related benefits, etc.

In addition, certain Debtors have made payments to, charged, or incurred charges from various affiliated entities during the twelve months preceding the Petition Date. Due to the voluminous number of transactions that are booked through the intercompany accounts during a twelve month period, these transactions have been reflected in the Schedules and Statements in a summary fashion by listing the beginning and ending intercompany balances and net change over the period October 31, 2007 to November 9, 2008.

(n) **Interests in Subsidiaries and Affiliates.** Circuit City owns directly or indirectly the seventeen subsidiaries that are Debtors. Equity interests in subsidiaries primarily arise from common stock ownership or member or partnership interests. Each Debtor's "Schedule B-Personal Property" lists such Debtor's ownership interests, if any, in subsidiaries. For purposes of these Schedules and Statements, the Debtors have listed the value of some ownership interests as undetermined because the fair market value of such stock or interests is dependent on numerous variables and factors and may differ significantly from the net book value.

(o) **Losses.** The Debtors routinely incur losses for a variety of reasons including theft,

property damage, etc. In response to question 8 in the Statement of Financial Affairs, the Debtors have only listed losses in the last year that were more than their insurance deductible.

(p) **Setoffs.** The Debtors routinely incur setoffs resulting from ordinary course business transactions with their customers and vendors, as well as ordinary course business transactions among the Debtors. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and the Debtors and their customers or vendors. These normal setoffs are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all such normal setoffs. Therefore, such normal setoffs are excluded from the Debtors' responses to Question 13 of the Statement of Financial Affairs.

(q) **Gift Cards.** The Bankruptcy Court entered a first day order (the "Customer Practices Order") granting authority to the Debtors to honor certain prepetition customer obligations. Pursuant to the Customer Practices Order, the Debtors are honoring gift cards that were purchased prepetition. The Debtors have not included customers holding gift cards in the Schedules and Statements since they are currently honoring these prepetition liabilities pursuant to the Court order.

(r) **Litigation Claims.** The Debtors believe that certain counterparties to litigation may have named the incorrect Debtor to the lawsuit. As such, the Debtors have scheduled the litigation on the Schedules for the Debtor that was named in the lawsuit and have scheduled the litigation on the Schedules for the Debtor that is believed to be the correct Debtor. Scheduling the litigation on multiple Debtors is not and shall not be construed as an admission that the counterparty has a claim against any of the Debtors.

(s) **Kinzer Technology, LLC and Patapsco Designs, Inc. Financial Statements.** The Debtors do not maintain separate financial statements for the Kinzer Technology, LLC ("Kinzer") and Patapsco Designs, Inc. ("Patapsco") Debtors. The financial results, which include interest and royalty income, are recorded on Circuit City financial statements. Thus, the Schedules and Statements for Circuit City include certain financial information relating to Kinzer and Patapsco.

(t) **Intercompany Receivables and Payables.** Before the Petition Date, transactions were made among various Debtors and/or payments were made to vendors on account of intercompany account balances. Outstanding receivables among the Debtors are scheduled on Schedule B35 as net receivables and corresponding outstanding payables are listed on Schedule F as net payables. The listing of these amounts is and shall not be construed as an admission of the characterization of such balances (as debt, equity or otherwise). Additionally, certain of these intercompany balances may be disputed, and any amounts listed shall not be considered an admission as to their validity.

Certain intercompany transactions between Debtors are recorded in the general ledger system as Automatic Intercompany Balancing Entries ("AIBE") that are not segregated by entity. At this time, the Debtors are not able to identify the specific counterparty to these AIBE transactions. Thus, the counterparty to these AIBE transactions has been listed on Schedule F with a creditor name of "Various Counterparties".

(u) **Schedule D:**

(i) Except as otherwise agreed pursuant to a stipulation or agreed order or any other order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled

claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument related to such creditor's claim.

(ii) In certain instances, a Debtor may be a co-obligor, or guarantor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements is or shall be deemed or construed as a modification or interpretation of the terms of such agreements. Holders of secured claims by virtue of holding setoff rights against the Debtors are not included on Schedule D. To the extent that the Debtors are parties to capital leases, the Debtors have treated those leases as executory contracts or unexpired leases, which may be shown on Schedule G. However, the Debtors reserve their rights to assert that such capital leases are secured financings, rather than unexpired leases.

(v) **Schedule F.** In certain instances, a Debtor may be a co-obligor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule F of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule F are intended only to be a summary. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The claims of individual creditors for, among other things,

merchandise, goods, services or taxes are listed at the amounts listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights with respect to such credits and allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts. The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential pending litigation listed in the Debtors' Statements as contingent, unliquidated and disputed claims to the extent not already listed on Schedule F. All parties to executory contracts and unexpired leases, including those listed on Schedule G, are holders of contingent and unliquidated unsecured claims arising from (i) obligations under those executory contracts or unexpired leases and/or (ii) rejection damages in the event that such executory contract or unexpired lease is rejected. Not all such claims are duplicated on Schedule F.

(w) **Schedule G:**

(i) The businesses of the Debtors are complex. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

(ii) The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements that may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space, and other miscellaneous rights. Such rights, powers, duties,

and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Schedule G does not include stand alone purchase orders for goods or equipment or nondisclosure agreements. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, and attornment agreements, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps, and other miscellaneous agreements. Such documents are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings.

(iii) The presence of a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on these Schedules.

(iv) The Debtors have attempted to list all executory contracts and unexpired leases separately. However, due to the number of executory contracts and unexpired leases, certain contracts or leases may have been listed as one entry or otherwise listed on a consolidated basis. Nothing in the Global Notes or the Schedules and Statements is or shall be construed as an admission or determination as to the severability of an executory contract or unexpired lease, and the Debtors reserve all of their rights with respect to the severability of any such contract or lease (listed or not).

(x) **Returns of Merchandise.** The Debtors in the ordinary course of their business return damaged, recalled and defective merchandise to the vendor for credit. The Debtors have not listed returns of damaged

and defective merchandise in response to question 5 of the SOFA.

4. **Claims.** The Debtors' Schedules list creditors and set forth the Debtors' estimate of the amount of the claims of creditors as of the close of business on November 9, 2008. Payments have been made subsequently to certain claimants pursuant to Bankruptcy Court first day orders in the Debtors' cases. The Bankruptcy Court has, among other things, authorized the Debtors to continue certain customer practices and programs; to pay prepetition sales, use, trust fund and other taxes; and to pay certain prepetition freight carrier and related charges. The Debtors have attempted to reflect these subsequent payments in the Schedules and Statements, but the actual unpaid claims of creditors may differ from the amounts set forth in the Schedules and Statements.

5. **Employee Claims.** The Bankruptcy Court entered a first day order (the "Employee Wages Order") granting authority to the Debtors to pay prepetition employee wages, compensation and employee benefits, and other obligations for Current Employees.³ Pursuant to such Employee Wages Order, for items covered by such order, the Debtors believe that any employee claims of Current Employees for prepetition amounts either have been satisfied or are in the process of being satisfied. Accordingly, employee claims of Current Employees for amounts owing as of the end of the day on November 9, 2008 that have been paid or that are intended to be paid have not been included in the Schedules and Statements. The Debtors have listed the Current Employees on Schedules E and/or F as having various types of claims that are not covered by the Employee Wages Order.

³ A current employee ("Current Employee") means an employee employed by the Debtors on the Petition Date and as of the filing of these Statements and Schedules.

6. **Disputed, Contingent, and/or Unliquidated Claims.** Schedules D, E, and F permit each of the Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these schedules as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to any claim reflected on these Schedules as to nature, amount, liability, or status or to otherwise subsequently designate any claim as disputed, contingent or unliquidated.

7. **Insurance.** Circuit City maintains general liability insurance policies, and various other insurance policies, on behalf of all the Debtors. A listing of all such insurance policies is set forth on Circuit City Schedule G.

8. **Global Notes Control.** In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.
